

STADIUM RAIDER

A detailed black and white line drawing of a Ford Super Duty pickup truck, viewed from a front-three-quarter angle. The truck is heavily modified for off-road use, featuring large, knobby tires and a prominent front bumper. Various sponsor logos are visible as decals on the body, including "Ford Performance" on the hood, "Raid Off" on the side door, "Exotic" on the rear fender, and "Moto-Chief" near the rear wheel. The truck's bed has a checkered pattern graphic. The overall style is reminiscent of classic automotive magazine illustrations.
